

Resource pack

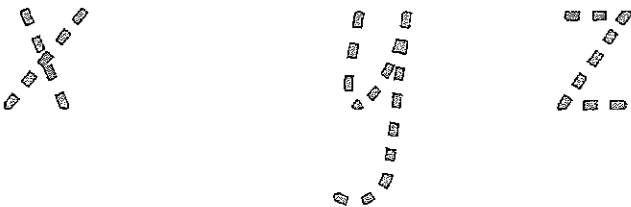

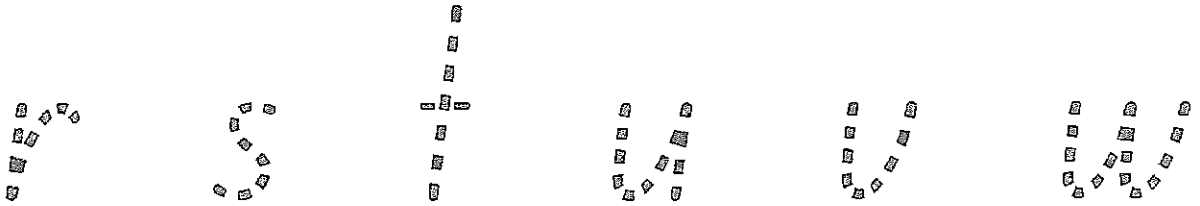

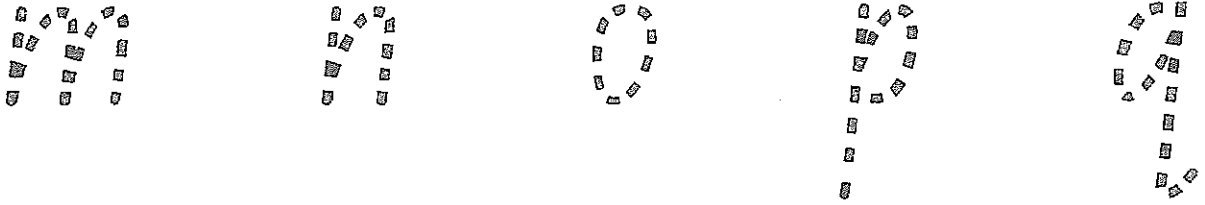

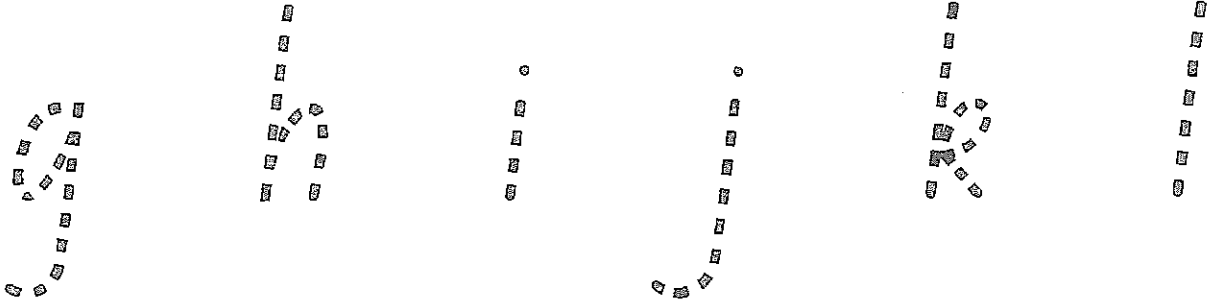

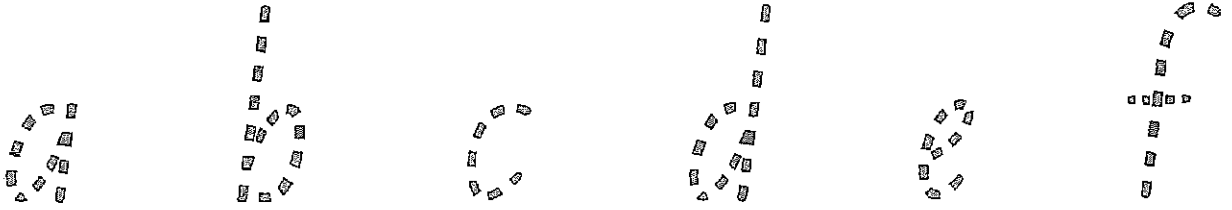

CORE Community Preschool acknowledges the difficult times that people are experiencing due to COVID-19. To support our families, we have created a resource pack for children to continue to engage in learning while staying home.

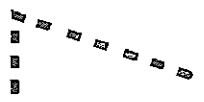

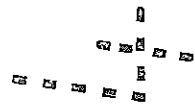

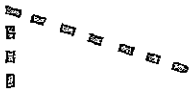

The resource pack is made up of various paper activities such as name and letter tracing, spot the differences and join the dots. This will promote problem solving and parent participation. Another alternative is free online resources such as iTrace (handwriting for kids) or

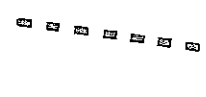

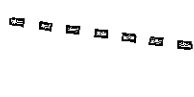

<https://www.abc.net.au/kidslisten/ideas/artandcraft/penguin-craft-video/110735120>.

Thank you!

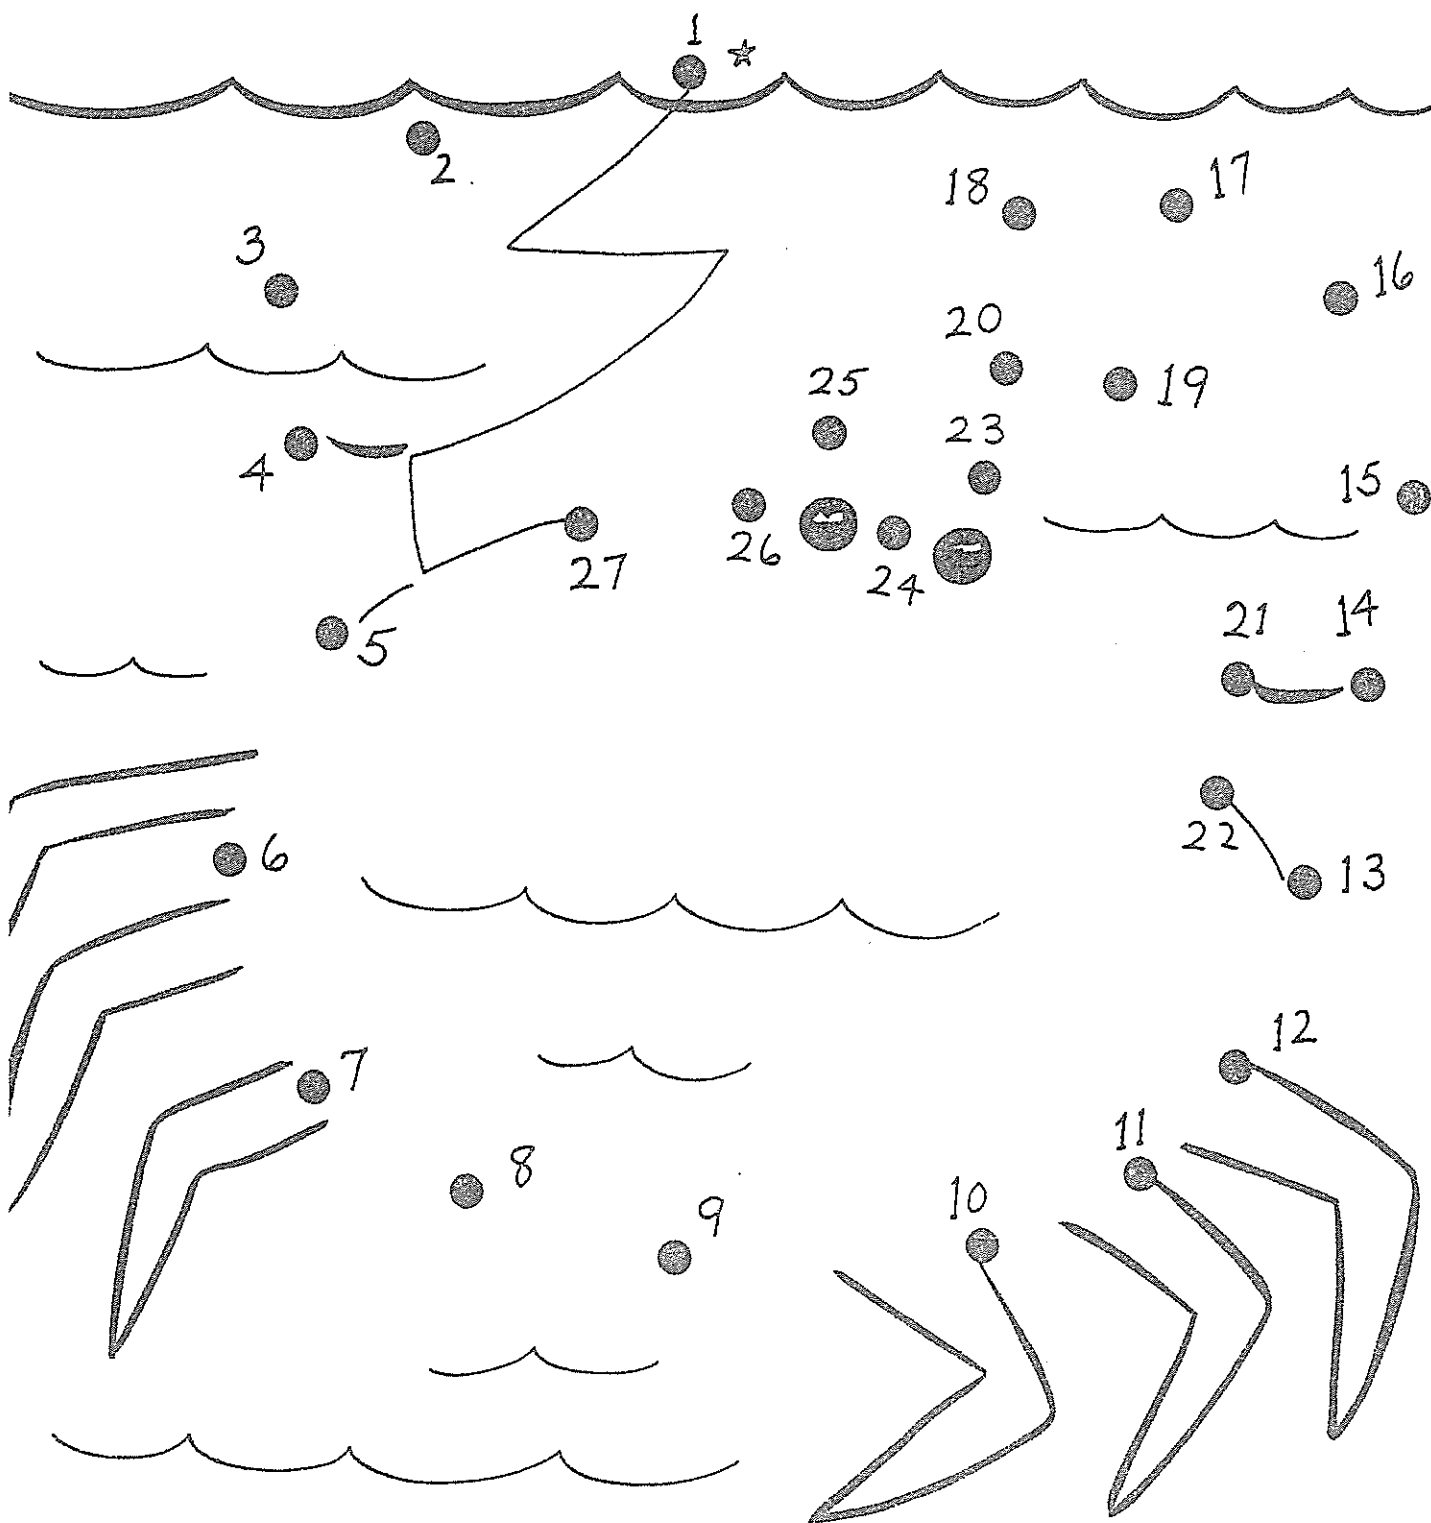

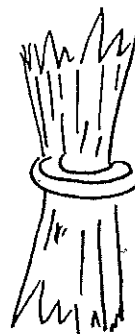

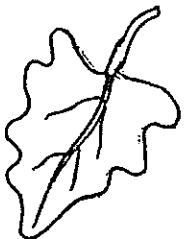

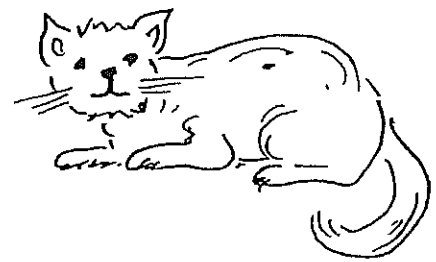

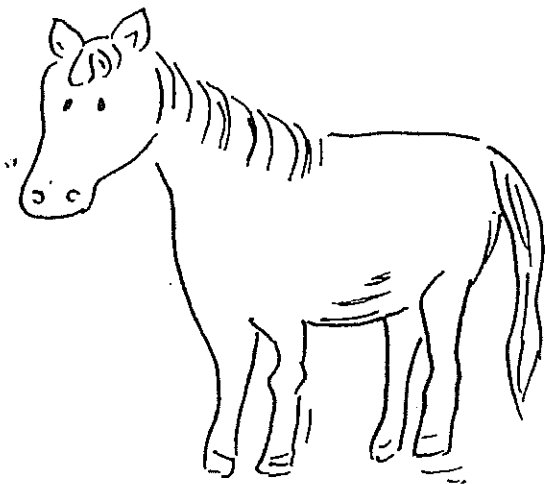

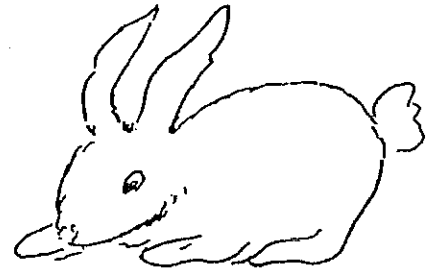

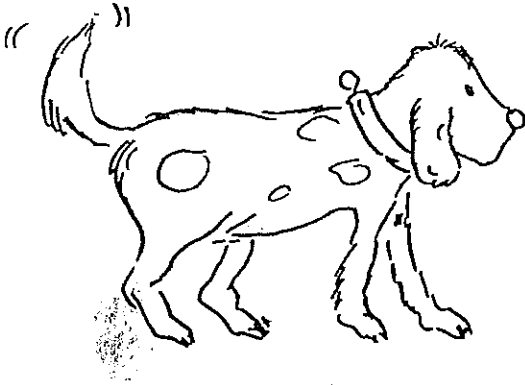

Numbers

Connect the dots from number 1 to number 27 to see an underwater creature!
