CORE COMMUNITY SERVICES SUPPORT AT HOME PRICING

Pricing Schedule effective 01st July 2026

At CORE, we believe good care begins with understanding what truly matters to you — your values, your goals, and the things that bring you happiness. Our role is to support your wellbeing, help you live comfortably, and maintain your independence every step of the way.

With over 40 years of experience, you can trust that we understand your needs and are committed to providing high-quality, affordable care. Our multilingual staff are carefully selected for their experience, skills, and training, ensuring you receive the best possible support.

Whether you need assistance with daily living, personal care, household tasks, or social activities, our Care Partners are here to help with compassion, respect, and dedication.

We've included a pricing guide with this letter to explain the costs of our services. We believe in being open and transparent, so you can make choices that feel right for you.

Thank you for letting us be part of your journey. It's a privilege to support you.

Care Partners

Approach to Care Management	We work closely with you to discuss the services you will receive under your packages taking into consideration your individual goals and preferences. Our approach to care and wellbeing is holistic and healthy ageing forms an important part of this. Keeping people connected, staying physically and mentally active, finding meaningful and purposeful activities and feeling part of a community are essential to wellbeing. If your care needs change over time, your care plan and budget will be updated to reflect the changing care required and associated change in costs. Depending on your goal and your preferences, we can work with you to help you to live independently in your own home, we work closely with you to review your care plan that can help you to continue and enjoy the things that matter to you most.
